

Keep Your Property in Top Shape Year Round

Boost your home's curb appeal and improve the livability of your property with these helpful tips.

In the spring:

- Fertilize the lawn and plants.
- Clean your outdoor furniture.
- Service your lawn mower.
- Prepare your garden beds and plant colorful flowers.
- Trim and prune shrubs and trees.
- Move potted plants outside.
- Mow the lawn.
- Sweep decks and patios.

In the summer:

- Plant flowers and vegetables.
- Mow the lawn.
- Weed your garden, lawn and flower beds.
- Sweep decks and patios.

In the fall:

- Rake your leaves and clear branches and other debris.
- Put away your lawn mower, and perform maintenance on your snow blower.
- Cover temperature-sensitive shrubs and put mulch in the garden.
- Bring weather-sensitive potted plants inside.
- Drain outdoor spigots and put hoses away.
- Repair cracks in your driveway to avoid damage.
- Sweep decks and patios.

In the winter:

- Clear walkways and your driveway of snow.
- Salt or sand walkways and stairs.
- Look for and remove icicles.
- Remove snow from roof.
